Call to order at : 7:00 PM

Mayor Luma called Lisa Nickles stating he would be out of town on the night of the meeting and would be unable to attend. He would send President of Council Bill Motter in his place.

Mr. Seth Epps attended the meeting to request information on the process to demolition a building and rebuild on a property in the Village. He was given the information for a building permit and told we did not have any restriction on the demolition of property. He would have to make the site safe during and after the demolition. He stated he planned to build a pole barn structure on the lot after he demolition the existing structures.

No other community members attended the meeting
